

Assignment -1

Assignment Date	30 September 2022
Student Name	J.S.Prathusha Devi
Student Roll Number	910619205038
Maximum Marks	2 Marks

Question-1:

Create HTML File

Solution :

```
<!DOCTYPE html>

<head>

  <style>

    body{

      background-color:#ffb3cc;

      display: flex;

      align-items: center;

      justify-content: center;

      min-height: 100vh;

      margin: 0;

    }

    form{

      background-color:#ffccdc;

      margin: 1rem;

      padding: 1rem;

    }

    input{

      height:50px;

      width:300px;

      display: block;

      margin: 10px;

    }
```

```
</style>
</head>
<body>
  <section>
    <h2><center>Registration Form<center></h2>
    <form name="myform">
      <input type="text" placeholder="Name" required>
      <input type="text" placeholder="Qualification" required>
      <input type="text" placeholder="Age" required>
      <input type="text" placeholder="Email" required>
      <input type="password" placeholder="Password" required>
      <input type="password" placeholder="Re-enter Password" required>
      <input type="reset" name="reset" value="Reset">
      <input type="submit" value="Submit" id="submit">
    </form>
  </section>
</body>
</html>
```

Output :

The screenshot shows a web browser window with a single tab titled 'form.html'. The address bar shows the file path 'C:/Users/Prathusha%20Dev/Desktop/html/form.html'. The browser's toolbar includes back, forward, refresh, and home buttons, as well as search, star, and extension icons. The main content area has a solid pink background. Centered on this background is a white rectangular box with a thin pink border. Inside this box, the title 'Registration Form' is centered at the top. Below the title, there are six input fields stacked vertically, each with a placeholder text: 'Name', 'Qualification', 'Age', 'Email', 'Password', and 'Re-enter Password'. At the bottom of the box, there are two buttons: a 'Reset' button and a 'Submit' button, both with a light gray background and black text.
